

# We're upgrading Harvest Project's Grocery Support Program

We're committed to offering the best possible nutritious food for our clients. To do this, we need to bring in groceries valued at more than \$50,000 each month. We're partnering with grocery stores, urban gardens, most public and private schools, and churches across the North Shore. We carefully manage inventories so that we can rescue, re-purpose and share this food. This year, we added multiple fridge-units, donated by Edgemont Market and installed by Burrard Refrigeration, with thanks to an anonymous financial donor. Very good news.

OUR CLIENT CARE PROGRAM PROVIDES ONE-TO-ONE COACHING AND COUNSEL. EACH MONTH, WE PROVIDE FOOD AND CLOTHING FOR 500+ RESIDENTS

**MOST NEEDED: Groceries**

### A NOTE FROM OUR E.D.

ON BEHALF OF THE MANY INDIVIDUALS AND FAMILIES WE SERVE – THANK YOU FOR YOUR SUPPORT HIS PAST YEAR!

We can report that in every month, we celebrated with clients who were 'graduating' from their time with Harvest Project and were able to return to healthier lives here on the North Shore.

Because of your help – with financial support, contributing other goods, or your volunteering, our neighbours have been empowered to fight their way through serious challenges in their lives.

We can assure you that your continuing involvement with HP's work will mean that more lives will be restored this year and beyond.

Best wishes for 2017,  
 Gary Ansell, Executive Director

## Help save Lives. Close to Home. This year.

Throughout this year, we're inviting you to support the people engaged in our life-changing programs. You can 'adopt a family' for a season or for a whole year.

Please consider 'adopting a family' - with a cash gift that will bring a brighter Spring season full of hope, or with a year-long sponsorship. We also welcome your one-time or recurring gift of any size. Thank you.

It's as simple as filling-out and returning the enclosed card or donating online at [harvestproject.org](http://harvestproject.org) now, to begin your sponsorship of a neighbour in-need.

-Adopt A Family for the Spring Season for \$200  
 We'll be able to deliver our complete Client Care and Support Programs through this season

-Adopt A Family for a year - for a year- \$2400 (or \$200 monthly)  
 HP will be enabled to provide our Client Care and Support Programs for the family for a full 12 months. This way, every month you'll be providing tangible help with food, clothing, coaching and counsel that will empower the family to get back on their feet.

Thank you for bringing hope to a North Shore family that is reaching for a 'hand-up, not a hand-out', by your joining in Harvest Project's work with those in need. Close to home.
