What it means to 'help save lives, close to home'

Written by Gary Ansell - Executive Director

Thank you for your ongoing support of HP's lifesaving work.

Your generosity makes it possible to provide care to some of the North Shore's most vulnerable people, including those who have been cut off from healthy lives by illness, family breakdown and job-loss.

Our clients are residents just like us. Many of them never expected to find themselves in such difficult circumstances. Many are parents of young children and Harvest Project's 'hand up' makes all the difference.

"For my children and me, there seemed to be no hope. But after a year with your help and counsel, we're regaining strength and with my new job I'm able to care for the kids and get ahead." -HP client

We would not be able to make such a difference in the lives of vulnerable people without your generosity. Your donations give us the ability to deliver urgently needed coaching + counsel, groceries, clothing and other resources.

Please donate now and help us continue to save lives, close to home. Thank you for being a part of our vital work, and for sharing in our belief that everyone deserves compassionate and substantial care, right here in our community.

NOW IN OUR 27TH YEAR
SERVING THE NORTH SHORE:
"EXTENDING A HAND UP,
NOT A HAND OUT"

A registered charity
impacting
the community
by breaking
the poverty cycle
and restoring
healthier lives.

With Gratitude To Our Donors

In addition, Harvest Project received critical support from hundreds of individuals + households from across the North Shore, in Metro-Vancouver and across Canada.

We look to all of you for more than 95% of our total cash funding, in-kind (grocery and merchandise) and other resources.

This past year, more than 700 volunteers contributed 19,000 hours of service (weekly or as part of visiting teams).

Thank you to one and all - for 'extending a hand up' in partnership with Harvest Project!

How to help:

Your gift will enable us to reach out to another family in need this season. Right now, more than 300 single-parents and others are looking to receive the help they need from HP:

*A gift of \$40 provides first-time services to an individual or family

*A gift of \$200 provides a full-month's programs and services

*A gift of \$2400 (or \$200 monthly) supports a family for a year
